Bluetooth Digital Indicator Lite
BlueDial-LT User Guide

⚠ Important Notes

- Turn off the device (①and⑤) after use. It will **NOT** turn off automatically.
- Do **NOT** open the device. Opening causes permanent damage and voids the warranty.
- BlueDial-LT transmitter & digital indicator should be both on before pairing.
- BlueDial-LT operates on two separate batteries:
    1) Rechargeable built-in Li-Po battery for the Bluetooth transmitter
    2) Coin SR44 or LR44 battery for the digital dial
